

CIO Asia TEC Safari

STRUCTURED INNOVATION. SCALABLE EXECUTION.

22 – 28 November 2026

Singapore & Ho-Chi-Minh-City

Exclusive curated **EXECUTIVE PROGRAM** and best practices of leading Asian companies in **Singapore** and **Ho-Chi-Minh-City** showcasing cutting-edge technologies. For CIOs want to scale innovation, anchor AI strategies and drive operational excellence.

SCIENCE

INNOVATION

AI

ROBOTICS

AUTOMATION

Technology and markets are more dynamic than ever and hard to keep up with. The CIO Asia TEC Safari offers you a structured approach to systematically build, accelerate and scale innovation across your enterprise.

Singapore and Ho-Chi-Minh-City are the forefront of orchestrated research and modern production at scale. Learn how leading innovators stay ahead and discuss with peers how this translates to your company's situation.

Executive value

- strategic insights into Singapore's Smart Nation model
- access to leading research institutions
- best practices from global innovation drivers
- hands-on experience with AI, 5G, automation and urban future
- curated networking opportunities with industry leaders

EXECUTIVE BRIEFS WITH REFERENCE CUSTOMERS
